INSTRUCTIONS FOR COMPLETING HEALTH QUESTIONNAIRE: If you are unable to complete this form online or prefer to fill out a hard copy, please print and complete this document, bringing it with you when you arrive for your first appointment. This form is designed to help find the cause of your problem and is an essential part of your evaluation, aiding in the proper selection of tests and treatments, and allowing us to spend more time focusing on your important problems. When possible, please provide a start and stop date for all medical conditions as well as provide a check box in the Med Taken box if you are currently taking medication for that condition. If you have a condition that is not listed please add it in the OTHER section.
****PLEASE NOTE: No antihistamines, such as Claritin, Allegra, Zyrtec, or Benadryl for at least 72 hours before your appointment, as they interfere with allergy testing. Asthma medications are allowed if needed for wheezing and coughing. If you are unsure of any medication you are presently taking, please call our office for instructions. ****
